

ADMISSION PROCEDURE @ FA VUT 2025

BSP ARCHITECTURE AND URBAN DESIGN

Part of entrance examination:

1. Homework:

- Two consecutive tasks.
- Instructions online, electronic delivery.
- Assignment 1 – **Architectural Composition:**
 - **Design and draw a spatial architectural composition that will consist of basic geometric bodies.**

Use pencil and draw by hand an architectural drawing that represent a perspective from the horizon line of a standing person. Use shading to emphasize the 3-D effect.
 - Duration: 4 hours including the instructions presentation.
- Assignment 2 – **Architectural Design:**
 - **Design a habitable space that would suite your character. The design of your space must reflect the architectural composition of from Assignment 1 – Composition.**

Make your design a physical spatial object. Technique and material are of your own choice. Digital model is not allowed. Write a short explanation of 100 words and submit together with the photograph.
 - Duration: 48 hours including the instructions presentation.

2. Interview:

- Online.
